RIPE 92 Social Media Kit

A quick guide to using
the social media kit

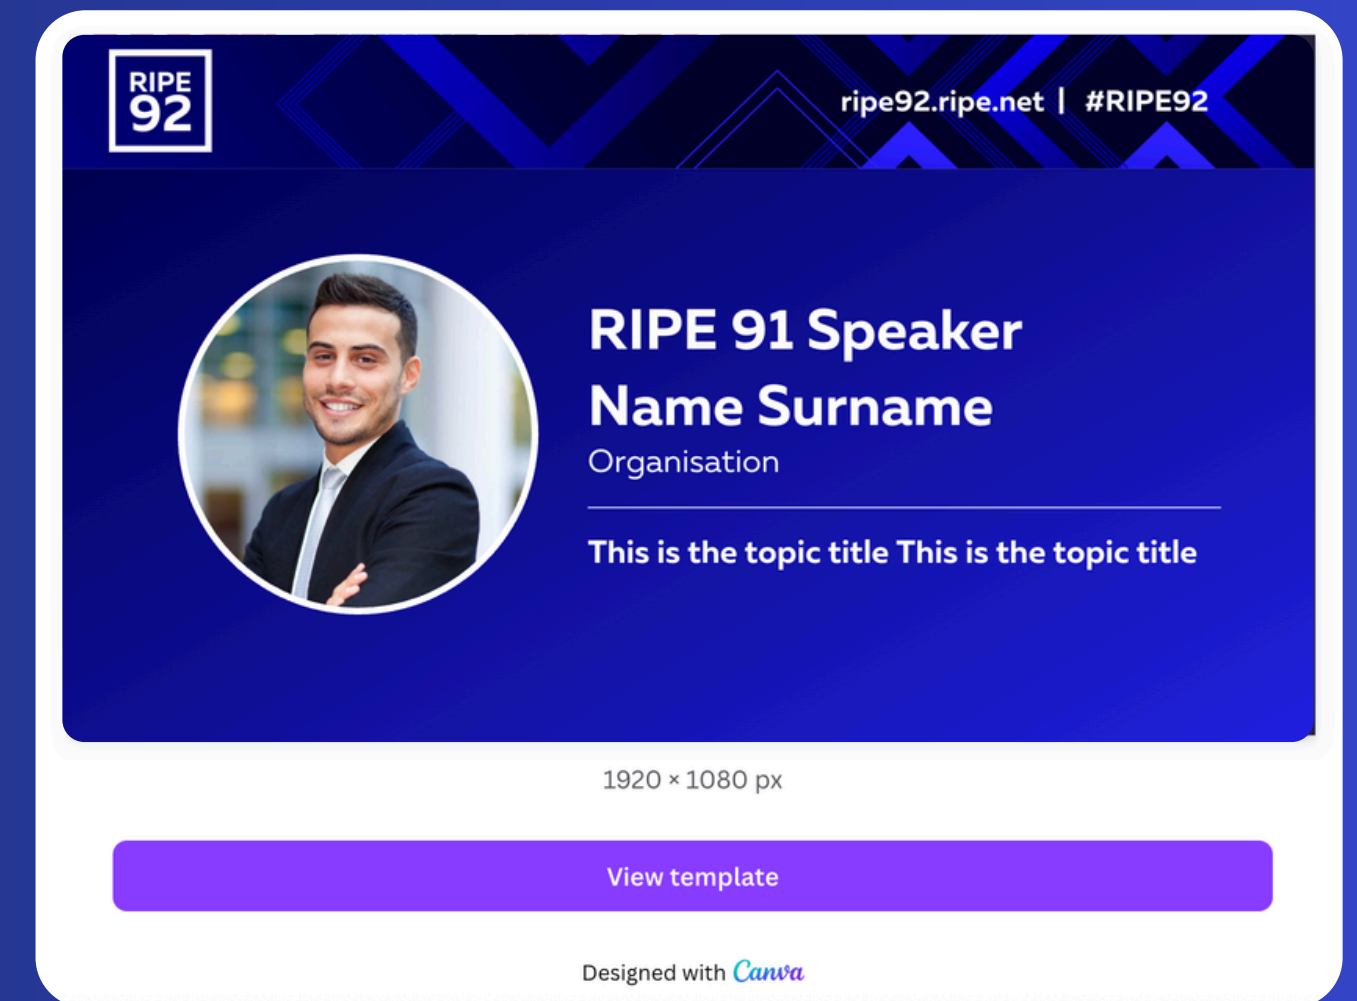

Step 1: Create your text

- Choose from our sample texts for social media. Pick the one that fits best and edit it as needed.
- Tag people and organisations you'd like to see at RIPE 92 to help boost your post's visibility.

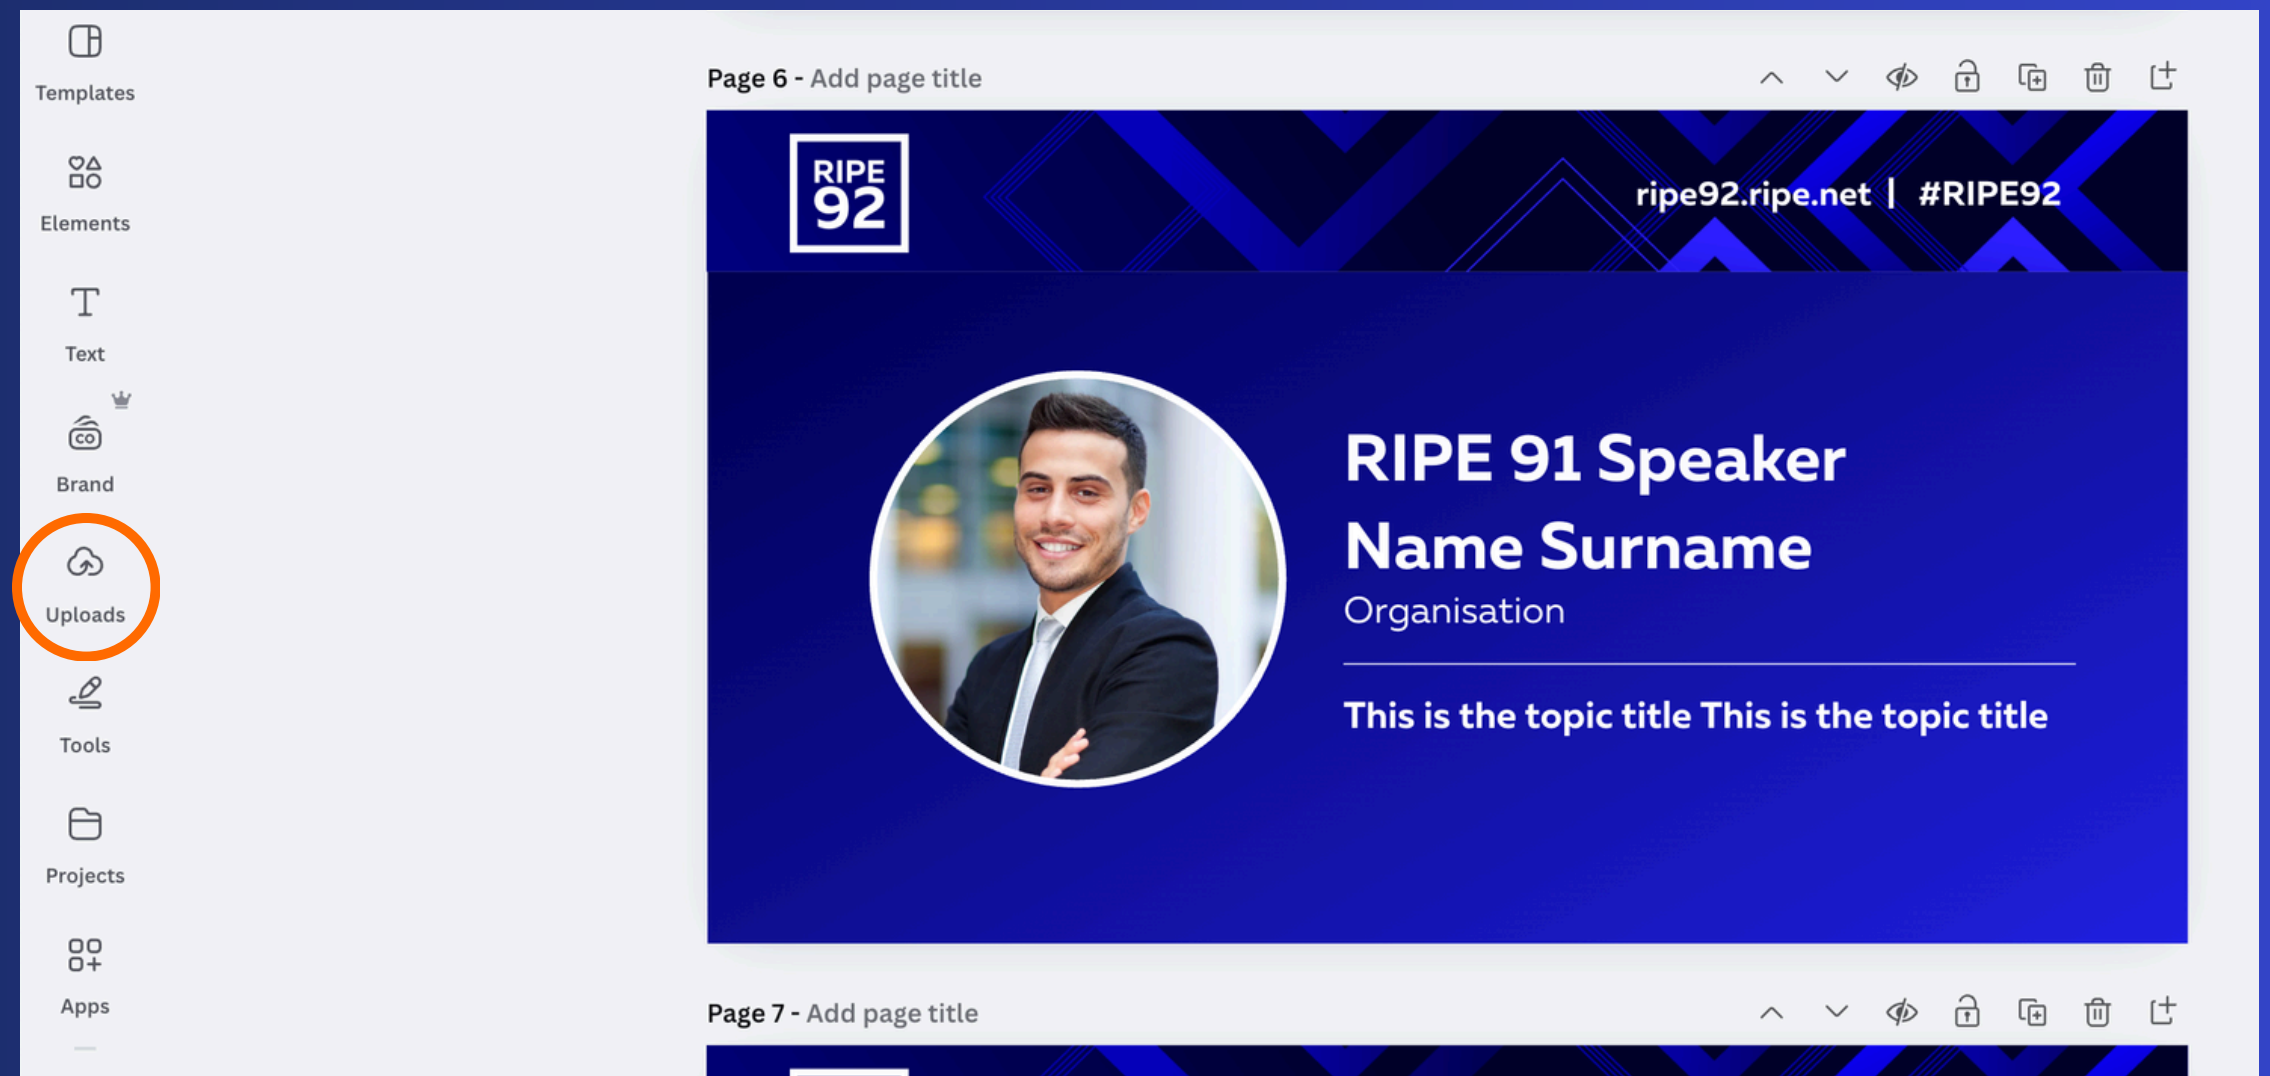

Step 2: Choose an image from the templates

- Log in or sign up for free to your Canva account. Select an image template from [our image bank](#).

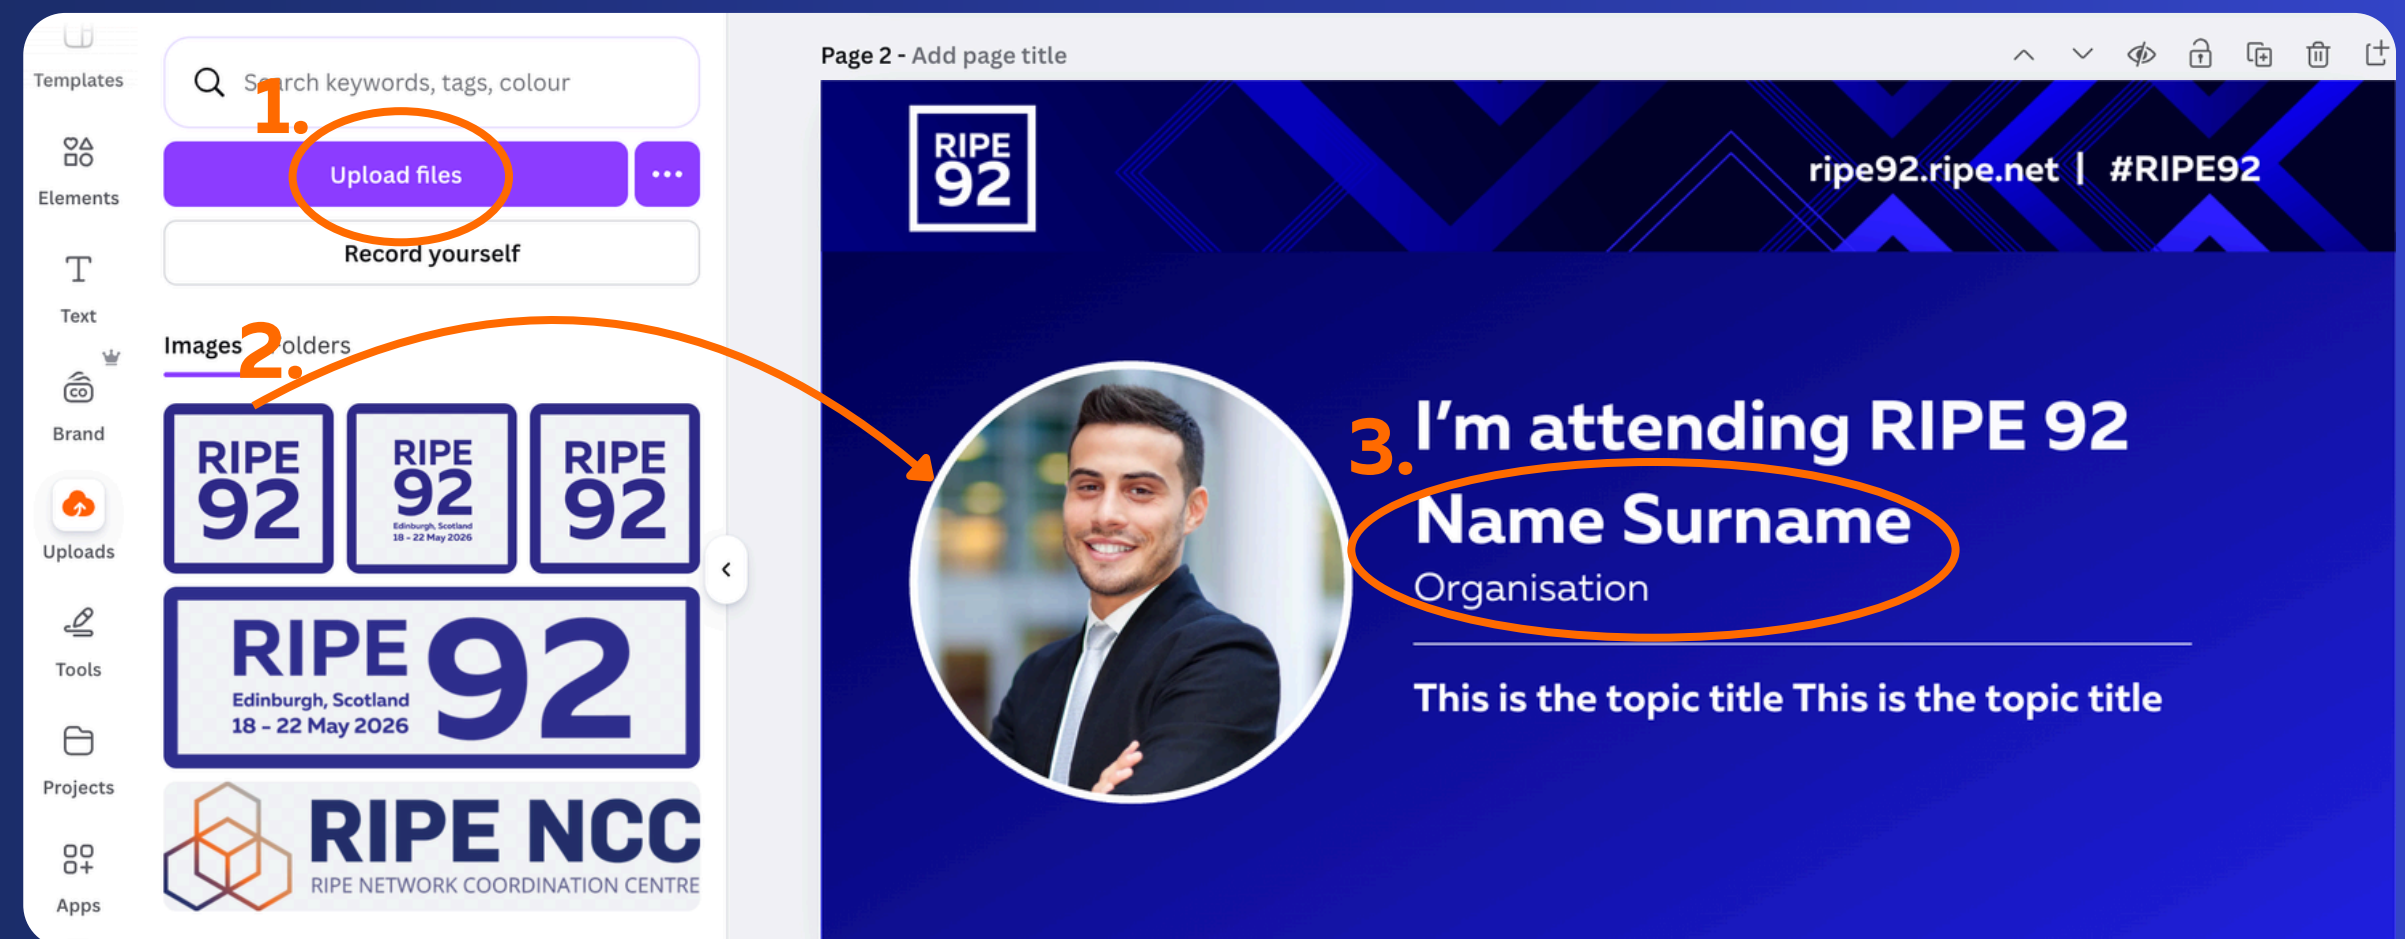

Step 3: Upload your photo

- Click Uploads in the left menu to upload your photo.

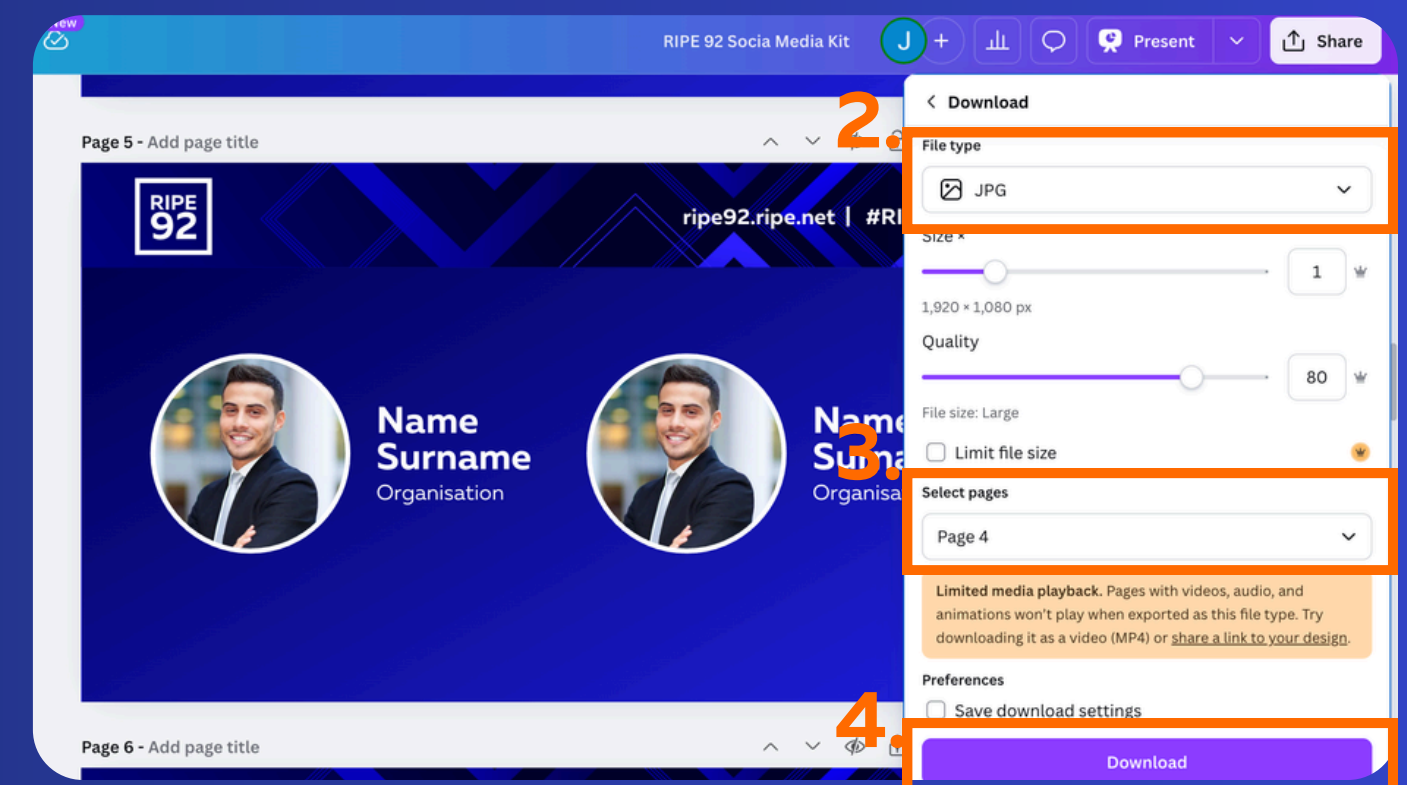

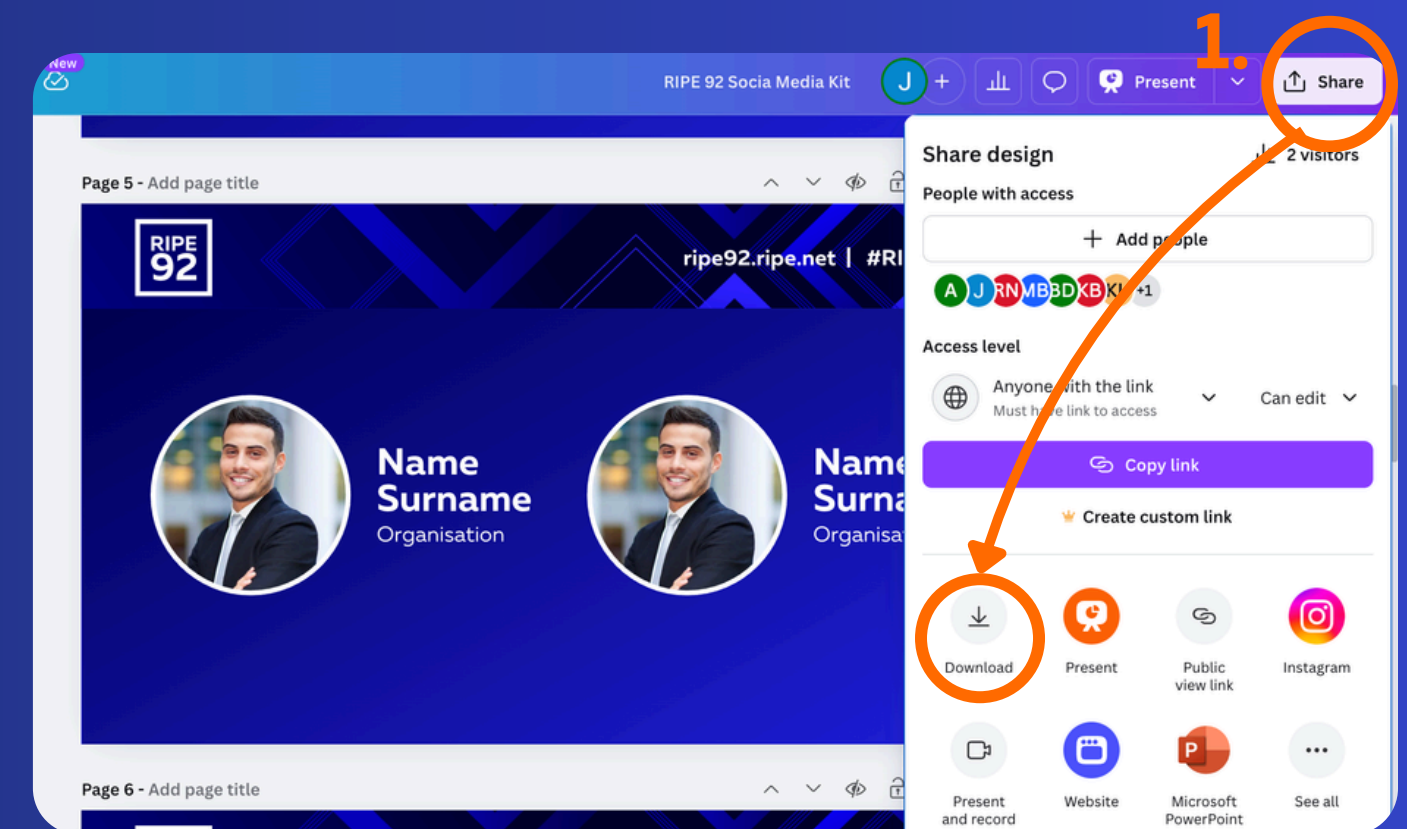

Step 4: Update your photo and information

- Select "Upload File" and choose a photo from your computer or phone.
- Drag your photo into the circular frame in the template.
- Replace the text with your own information

Step 5: Download and share

- Click Share → Download
- Select the file type (JPG, PNG, PDF)
- Select the page of your image
- Download
- Share this image with your text on your social media account!

Social Media Posts for Speakers

Example Post

It's an honour to speak at #RIPE92 – one of the longest running meetings for network operators and technical experts. Follow my session on “name of talk” taking place during the “name of session”.
